Sponsor Signage — How to Submit Your Ad

Thanks for sponsoring Ocean Grove Golf Club. Your ad plays on the TV screens around the club — submitting it takes two minutes online, no account or email needed.

Submit Your Ad

Open this link on your phone or computer and fill in the short form:

<https://oggc.venueos.jjkk.com.au/signage/sponsor>

- 1 Enter your business name and contact details.
- 2 Upload your ad image (see requirements below).
- 3 Submit — the club will review and approve it before it goes live on screen.

Image Requirements

- ▶ **1920 x 1080px** (16:9, landscape) — the screens are wide TVs, so upright/portrait images won't fit properly
- ▶ **JPG, PNG or WebP**, max **20MB**
- ▶ Keep your logo and any text large and clear — the screen is viewed from across the room, not up close

Note: your ad won't appear on screen immediately — it's held for the club to review first, and goes live once approved.
